

DHS PROM AFTER PARTY 2022

“The ULTIMATE post prom party!”

The DPN Prom After Party Committee is already hard at work preparing for
After Party on May 21, 2022 at the Sachs Center!

WHAT is the Prom After Party?

After the prom ends, buses will bring all seniors and their dates to the Sachs Center to keep the party going! The After Party is a substance-free, late night celebration for DHS seniors and their prom dates. Seniors not attending prom are also welcome.

Check out our website

WHAT happens at the Prom After Party?

Giant inflatables, volleyball and basketball tournaments, casino games, karaoke, a photo booth, a magician, a fortune teller and a live DJ keep things jumping. Teen-friendly treats, including pizza, hot wings, DQ ice cream, and even sushi keep the kids' energy levels high. To top things off, there is a huge raffle with amazing prizes, including tickets to concerts and sporting events and flat screen TVs.

WHY do we have the Prom After Party?

The idea of a prom “after party” came about in response to a growing concern over what options were available to our kids after prom. The safety and well-being of our high school students is our first priority. According to the U.S. Department of Transportation, on a typical prom weekend: 48 American teenagers will be killed in vehicle crashes; 5,202 American teenagers will be injured; 40% of the deaths will be alcohol-related. The After Party has been helping to keep DHS students safe on prom night.

HOW does the Prom After Party Happen?

As a result of the generosity of local businesses, civic organizations, the DHS staff, members of the Deerfield community, and most of all parents, we are able to fund this party so that it is free for all students!

HOW can I help?

Pay it forward by helping when your students are younger so the tradition can continue for your student to enjoy one day. Become a co-chair of a committee or join a committee to help plan the After Party - these positions start now. Help at the After Party in May. Contribute financially or give prizes for the student raffle. If you own a business, consider becoming a corporate sponsor. Remember, After Party happens as a result of generosity so that it is free for the kids!
