

August 2021

Dear Parent(s) and Guardian(s):

Welcome to the 2021-2022 school year. We are excited to have our children back on campus full time and making personal connections. A PTO membership helps families build connections with each other and our schools. Our hope is that each family with a student at DHS becomes a member of the DHS PTO so we can continue to enrich the lives of our DHS community.

Your support is just as important this year as we find innovative ways to support our DHS students and staff. You can purchase your [membership here](#).

DHS PTO relies on membership support in order to provide programming, sponsor events, and purchase educational items for DHS students and staff. Thanks to your membership support, the DHS PTO:

- Funds senior student PTO scholarship(s)
- Awards teacher and activities grants
- Provides hospitality
- Hosts grandparent & VIP day
- Sponsors prom after party transportation & the health fair
- Recognizes legacies & milestones

The membership donation is \$50 for the school year. Membership includes 2 smartphone directory apps. All DHS families are included in the directory.

Step by step instructions for purchasing your membership can be found on the following page.

Thank you for your support.
